YACHT DESCRIPTION

Introducing the BAVARIA C45, the epitome of perfect sailing performance. Our vision in designing this yacht was to create a harmonious haven where sailors would instantly feel at home. With its impressive features such as the expansive bathing platform, spacious cockpit, and luminous saloon, the BAVARIA C45 offers a welcoming and comfortable environment for all aboard.

Setting it apart from its peers, the BAVARIA C45 is the only yacht in its class to offer a choice of three, four, or five-cabin layouts, providing unparalleled flexibility and adaptability. Additionally, the inclusion of a dinghy garage for tender storage enhances convenience and further showcases the yacht's thoughtful design.

With its remarkable features, the BAVARIA C45 effortlessly embodies the spirit of versatility and delivers exceptional performance across all aspects. Whether you seek thrilling adventures on the open seas or tranquil voyages along the coast, this all-rounder yacht is poised to exceed your expectations.

Experience the unparalleled craftsmanship and innovation of the new BAVARIA C45. It's time to embrace a yacht that effortlessly combines style, comfort, and adaptability, ensuring that every sailing excursion is nothing short of extraordinary
